

## SmartFrame® CoilStraps (SFCS)

SmartFrame CoilStraps are long length coiled utility straps that can be cut to length on the job site and used for many different applications.

CoilStraps are available in the following sizes.

**SFCS-1.5-33-250** (1.5" x 250' x 33mils (20g))

**SFCS-1.5-43-200** (1.5" x 200' x 43mils (18g))

**SFCS-1.5-54-150** (1.5" x 150' x 54mils (16g))

**SFCS-2.0-33-200** (2" x 200' x 33mils (20g))

**SFCS-2.0-43-150** (2" x 150' x 43mils (18g))

**SFCS-2.0-54-100** (2" x 100' x 54mils (16g))

**SFCS-3.0-33-125** (3" x 125' x 33mils (20g))

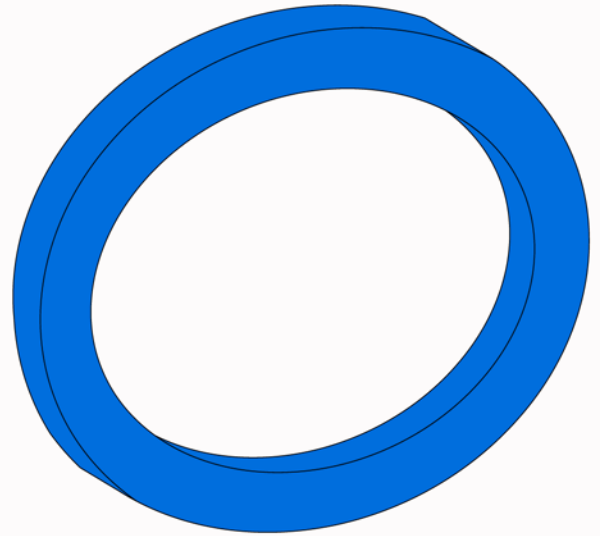

**SFCS-3.0-43-100** (3" x 100' x 43mils (18g))

**SFCS-3.0-54-75** (3" x 75' x 54mils (16g))

**SFCS-4.0-33-100** (4" x 100' x 33mils (20g))

**SFCS-4.0-43-75** (4" x 75' x 43mils (18g))

**SFCS-4.0-54-50** (4" x 50' x 54mils (16g))

CoilStraps weigh approximately 40 pounds for easy maneuverability throughout the job site.

CoilStraps are manufactured from 33ksi steel unless specified other.
